CAREER STATEMENT

- As a dedicated B.Tech IT student with a strong foundation in software development, systems analysis, and network management. I am eager to apply my academic knowledge and hands-on experience to real-world challenges.
- My goal is to develop my skills in coding,problem-solving, and technology integration to contribute to innovative projects and support organizational growth. I am committed to continuous learning and staying current with industry trends to effectively tackle complex IT issues and drive technological advancements.
- I am particularly interested in internships or entry-level positions where I can further develop my technical expertise and collaborate with professionals to make a meaningful impact."

---

## EXTRACURRICULAR ACTIVITIES

- Participated in various **Internal Hackathons** held via CSI.
  - Participated in various **Hackathons** held via unstop.
  - Participated in **Smart India Hackathons**.
  - Participated in **coding competitions** held via SRMU.
  - Participated in **Internal Debate competitions**.
  - Participated in various **singing competitions**.
  - Participated in various **mono acting competitions and nukkad natak** in school.
- 

## HOBBIES

Singing  
Acting  
Cricket  
Basketball  
Editing  
Gaming

---

## CERTIFICATES

**Data Science Tools Certificate | 2024**  
IBM

**Full Stack Completion Certificate | 2024**  
IBM

**Python Completion Certificate**  
IBM

**Big Data Completion Certificate | 2024**  
IBM

**Cloud Computing Completion  
Certificate | 2024**  
IBM

**AI and Chatgpt tools Certificate | 2025**  
BEIOX
